SIMONE DE BEAUVOIR INSTITUTE

Founded in 1978 to promote the understanding of the historical and contemporary situation of women in society, the Simone de Beauvoir Institute of Concordia University helps women to discover and develop their potential, both by its academic base in Women's Studies and by its co-curricular activities. We are honoured that Simone de Beauvoir authorized us to use her name.

All students registered in the Major, Minor or Certificate in Women's Studies are normally members of the Institute. Other undergraduate students are welcome to become members if they undertake to complete nine credits of WMNS and SDEB courses. Members are expected to contribute to the activities of the Institute.

The co-curricular life of the Institute is extremely important and all members are expected to contribute to our activities. Exciting opportunities are available to organize workshops, colloquia and debates on subjects which interest the members, as well as to collaborate with women's organizations outside the University on research projects and other joint ventures in which we can benefit from the experience of others.

RESOURCE CENTER AT LOYOLA

Hingston Hall 103-104 (entrance through HB102). Call 848-2370 for information concerning this facility.

READING ROOM: 4th floor of the Simone de Beauvoir Institute on Bishop Street.

WOMEN'S STUDIES STUDENTS ASSOCIATION (W.S.S.A.)

WSSA IS THE WOMEN'S STUDIES STUDENTS ASSOCIATION AND IT MAY BE WHAT YOU'RE LOOKING FOR IF:

- you would like to get to know other Women's Studies students better.
- you have ideas and/or comments you would like to share.
- you care about the Institute, the Women's Studies programme and the women who surround you.
- you would like to contribute to Institute activities.
- or you would like to see a higher student profile at Simone de Beauvoir Institute.

* * * * *

WSSA plays both a functional and social role at the Institute. All Women's Studies Students may attend Council meetings, and WSSA has voting privileges on the governing body of the Institute. Members collaborate on various Institute committees and have been involved in the planning of curriculum, the organizing of a weekend retreat at Concordia's Lacolle Center and in the study of the possible implementation of a Master's programme in Women's Studies.

Equally important is the social function WSSA serves for students. Women's Studies is an area of study which can be extremely confrontational and challenging. Many of us feel the need to connect with other women to better understand, develop and explore our emotional and intellectual growth. Women's Studies is also an area where strong bonds of friendship and caring develop between students and professors. WSSA wants to respond to the needs and interests of students by offering a realm of co-curricular activities.

If you have ideas and energy to offer, please consider getting involved with WSSA. If committee work interests you, think about serving on the Curriculum, Co-Curricular, Library, Liaison, Human Resources, or Graduate Studies Committees. Or, why not help WSSA serve students?

For information, call the WSSA office at 848-7449 or leave us a message in our Institute mailbox.

REGARDS DE FEMMES SUR L'AVENIR (3 CREDITS)

LEC. AA W 18:05 - 20:10 S.G.W.
INSTRUCTOR:
MAIR VERTHUY

Dans ce cours, nous examinerons divers textes de femmes (fictions, articles, essais, poètes) afin d'en dégager les questions que se posent les auteures, les réponses qu'elles y apportent ou tentent d'y apporter, leurs raisons d'être angoissées ou optimistes. Notre travail d'analyse comprendra une étude des conditions dans lesquelles les textes ont été écrits comme de l'idéologie ou de l'option politique qui les sous-tend. Une attention particulière sera accordée à la langue des femmes.

Une bonne connaissance de l'anglais parlé s'impose toutefois.

OFF CAMPUS COURSES

WMNS 298B/4

LE JOURNAL INTIME: (3 CREDITS) LECTURES ET PRATIQUE D'ECRITURE.

Ce cours est une exploration du journal intime féminin. De tout temps, le journal a surtout été associé aux femmes; malheureusement il n'a jamais eu sa place dans la production culturelle. La caractère intime du journal et l'isolement qui l'entoure lui donnent une richesse propre, mais imposent une approche différente afin de briser l'isolement sans rien perdre de l'intimité.
